About Our Lug Nuts

- Constructed to enhance the luster of your wheels and provide maximum dependability and strength.
- Backed by our ISO and QS certified facilities, we manufacture each lug nut to exact fastener standards using the latest equipment available on the market.
- Cold forged for increased strength and uniformity, our lug nuts meet or exceed OEM and aftermarket application standards.
- Each lug nut is hand polished before plating, resulting in longer-lasting superior chrome finish.

About our wheel locks:

- Our anti-theft wheel locks are lug nuts that require uniquely patterned keys for fastening and removal.
- Each wheel lock is manufactured for maximum durability and protection from environmental hazards, corrosion and theft.
- Triple plating - Two layers of nickel and one layer of chrome provide our locks with a radiant appearance and durable protection from harsh environment conditions.
- Specially formulated corrosion protection is applied to our chrome plated fasteners to meet or exceed the industry's standard salt spray testing.
- Each lock set comes with a key card for easy key identification and replacement.

All Wheel Locks Include: 4 Lock Nuts And One Key Adapter

Lug Bolts

About our Lug Bolts

- Designed to fit most European models.
- Chrome plated lug bolts are through-hardened 10.9 grade steel for maximum durability and tensile strength.
- Spline & Tuner lug bolts are engineered for after-market wheels with small diameter and deep lug bolts.

Lug Bolts - Ball Seat (Box 30/180)

All ball seats are 13mm radius unless otherwise stated

Hub Centric Rings (4 Pieces per set)

Example:
 Wheel's Bore Size (O.D.): 74.0
 Vehicle's Hub Size (I.D.): 54.06
 Part number C74-5406

- Fills the gap between the wheel hole and hub providing true wheel-centering; prevents vibrations and enhances driving performance.
- Made of polycarbonate/nylon material which increases resistance to higher temperatures and improves durability from impact.
- Available in various combinations of bore and outer ring sizes. I.D. and O.D. sizes clearly imprinted on ring.
- 4 pc. per set.
